***Pirate Story* in 4D brings adventure to Gold Reef City Theme Park**

Gold Reef City Theme Park is bringing action and adventure to Africa's only 4D theatre, introducing its latest movie and interactive thrill ride, *Pirate Story*.

This exciting pirate-themed 4D movie is a computer animated action-adventure, featuring a pirate, terrifying curses, furious chases and narrow escapes. Your experience will include dodging cannonballs, coming face to face with villainous characters and escaping from the ride of a lifetime, with your adrenalin pumping in overdrive.

Pirate Story casts you in the role of one of three thieves who break into a museum to steal a pirates' treasure. Little do they know that their escapade will bring a fearsome pirate back to life to take revenge on them - and that he also has the power to bring many of his fellow museum exhibits back to life.

The Theme Park's 4D Theatre isn't just a cinema - it's an interactive thrill ride fitted out with high definition video projection and a variety of special effects, such as wind, water, scent and chair movements.

Pirate Story alternates with *Turtle Story*, a moving and exciting exploration of the wonders of nature. Each movie is between 10 to 15 minutes long. The 4D movies, as well as all thrill rides and shows are included in the admission to the Theme Park.
