

Gold Reef City Theme Park officially Jozi's choice for kids' parties

Gold Reef City Theme Park has once again won "The best kid's party - outdoors venue" category in the annual Leisure Options Best of Johannesburg Readers' Choice Awards.

The award is an especially meaningful one since it is Jozi residents themselves who vote for the winner. Gold Reef City Theme Park traditionally excels in the Leisure Options Awards with its unrivalled range of entertainment and attractions, at a price that offers the best value for money in town for a full day of entertainment.

The Theme Park boasts a large variety of kiddies' entertainment including fantastic indoor and outdoor activities, mesmerizing shows, creative party ideas, unique rides and much more.

The Theme Park's Birthday Club for kids under the age of 12 years offers members many benefits and unforgettable birthday parties. Benefits include free entrance to the Theme Park for the birthday child; a free kiddies meal at the Birthday Club venue; a gift for the birthday child and discounted admission and meal vouchers for at least five (or more) friends.

Older kids love hair-raising adventure rides like the Miner's Revenge, Anaconda and Tower of Terror. For the tots, there's a farmyard, a Kiddies' Corner featuring rides such as the popular Shongololo Kiddies Coaster, Carousel and Pirate's Cove, as well as an indoor Play City which provides hours of safe fun for those too little for the big rides.

Kids of all ages are entranced by the larger-than-life illusions created in Africa's only 4D Theatre, while a range of street entertainment like gumboot dancing, magic shows and the fascinating historical attractions - including the only 'Jozi's Story of Gold' heritage tour in Joburg - means that there's something for everyone.

Birthday Club admission to the Theme Park is only R120 per child and includes all rides, entertainment and lunch. For more information, contact Gold Reef City Theme Park on 011 248 5000, email info@goldreefcity.co.za or visit www.goldreefcity.co.za
