

House sensation *Liquideep* to bring their vibes to Gold Reef City Theme Park

The international house music sensation, [Liquideep](#), is set to perform at [Gold Reef City Theme Park](#) on 30 October.

This talented duo – which made waves last year with the hit single *Fairytale* – is made up of singer, songwriter and producer Ziyon from the USA; and producer and DJ Ryzor from South Africa. Their sound is deeply influenced by Africa's beat but still boasts global appeal due to their love of travel, their respect for different cultures, and their feel for the arts.

Even though the two only came together as one musical item in 2007, *Liquideep* has a combined experience of over 20 years in the creative business.

Some of *Liquideep's* compositions have even been selected by top international dance producers for remixes. Ziyon and Ryzor have worked along artists such as *Suges*, *Raw Artistic Soul*, *Lars Behrenroth*, *Jonny Montana* and *Aqua Basinno*.

*Shows will be at 1pm and 2pm at the Town Square at Gold Reef City Theme Park and it is included in the entrance fee.
