

### **Gold Reef City offers rich choice of winter entertainment**

Gold Reef City Casino and Theme Park have pulled out all the stops for a spectacular line-up of winter entertainment this year. Their jam-packed schedule of shows and attractions offers something for everyone - from thrill-seekers to jazz lovers, from Rasta fans to comedy addicts, and from toddlers to grandparents.

In addition to its many fantastic gaming options and restaurants, Gold Reef City Casino is also home to two of Jozi's best theatres. This winter, the 1100-seat The Lyric theatre hosts world-class acts such as all-star Indian comedy show, *150 Years... and still laughing*, *Evita Bezuidenhout's Desperate First Ladies*, legendary Afrikaans music star, Kurt Darren; and popular Afro Pop band *Dr Victor and the Rasta Rebels*. Fans of the FIFA Soccer World Cup can view The Beautiful Game in The Lyric Theatre as Gold Reef City Casino is screening all matches on a big HD screen. Tickets for all group matches cost R50 and the ticket for the 13:30 match includes admission for the 16:00 match as well. Also included in the ticket is a complimentary hot dog and beverage

The Globe, the casino's intimate theatre for smaller productions, hosts Joe Parker's comedy and jive as well as *High-Kicks*, a colourful and sexy variety cabaret show. The football-themed *Time to Score* promotion offers Strike it Rich members who play the slots and tables a chance to win millions in cash and prizes. This promotion ends Thursday 22 July 2010.

Across the road, Gold Reef City Theme's fascinating historical attractions, thrilling theme park rides, kiddies' entertainment, 4D theatre and street attractions beckon those looking for even more to do on a busy Joburg day or night. The annual *Jozi's Winter Circus* is also back with a bang this year, and features some exciting soccer-themed acts. The circus is on until 11 July 2010.

The Oppenheimer Centre at Gold Reef City Theme Park offers soccer fans the opportunity to watch their favourite games on a large screen, while the entire family enjoys access to the Theme Park, including all rides and entertainment. Different packages are available.

Gold Reef City Theme Park's hot line-up of music at its Town Square for June will melt away any winter blues. A host of exciting live acts are scheduled to play at the venue every weekend, topped off with *White Rabbit* and *Tokyo Groove* at the end of the June.

Gold Reef City Casino is open 24 hours 7 days a week and Gold Reef City Theme Park is open. Gold Reef City Theme Park is open 7 days a week during Gauteng School Holidays from 9:30 am until 5pm. For more information call (011) 248 5000.
